Meeting Locations

The After School Club meets either in the cafeteria or a classroom on the school campus. (Participants at Fern Elementary will meet at Greenwood Park.) In the event the school requires use of our meeting location, the After School Club will be relocated to another location on campus for the day. A sign will be posted on the door to let parents/guardians know where the After School Club has been relocated. If you are unable to reach the staff by telephone, you can page them on the After School Club pager. If possible, you will be notified of the location change in advance; however, the school does not always provide this information in advance.

After School Club Hours

The program begins immediately after school until 6:00 p.m. The program is not in session on school holidays. The program is available on minimum days and during parent conferences. The After School Club follows the Torrance Unified School District's Student Free Day and holiday calendar. The program is closed when the schools are not in session. Prices reflect resident/non-resident fees.

Waiting List

Waiting lists are established once a program has filled. Once you are called from the waiting list, you will be given three working days to register. If you do not register within the three working days, you will be removed from the waiting list and the next participant on the waiting list will be called. All

payments must be received by 5 p.m. the Wednesday before the program begins. Please keep your phone number(s) current with the Registration Office.

Notification of Special Needs

Please notify staff if your child has any special needs, allergies, etc. and provide complete information on the Participant Emergency Form. If a child has a severe allergy and/or requires medication while at the program, a Severe Allergy Form and/or Medication Policy will be required. The Specialist will review the Participant Emergency Forms, Severe Allergy Forms and Medication Policies of all participants prior to the start of each session. (Please refer to page 11 for additional information regarding this topic.)

Children with special needs may be admitted after the Supervisor discusses with the parent/guardian the child's strengths and limitations prior to the registration process. The parent/guardian and staff will evaluate the appropriateness of the program for the child and identify reasonable accommodations.

Mandated Reporting

City of Torrance Community Services Department employees are mandated to report any suspected cases of child abuse or neglect directly to the appropriate authorities for investigation.

What Not to Bring to After School Club

- Cell phones, pagers, video games, personal and/or electronic toys Bicycles, rollerblades, skateboards or scooters.
- Snacks that require cooking.
- Games such as Yu-Gi-Oh, Pokemon or Bakugon.
- City of Torrance Community Services Department is not responsible for lost, stolen or damaged items.

Cell Phones

Cell phone use by participants is prohibited. We will immediately confiscate any cell phone in a participant's possession and return it to them at the end of the day. This policy is designed to help all participants remain engaged and have a better and more meaningful experience while at the After School Club. Parents/Guardians are advised to call the site if there is an emergency.

Lost and Found

Lost and found items will be kept at each site. Lost items will be held for two weeks. City of Torrance Community Services Department and/or its employees are not responsible for lost, stolen or damaged items. We strongly encourage participants to have their name written on their property (backpacks, lunch boxes, etc.).

Participant Emergency Forms

These forms are required for each participant and are kept at each After School Club site. Please keep this information current, as they contain emergency contact information and an authorized list of adults allowed to pick up your child.

Program Structure

Each After School Club site will have a unique program and may vary each day. Below is a general schedule:

- Homework Time: The first 30 to 45 minutes of each day.
- Snack Time: Immediately following homework time.
- Outdoor Activities: 4:00-5:30 p.m.* (*before sunset) Field trips, indoor and outdoor games, indoor crafts, self-esteem building games, community service projects and guest speakers.
- Indoor Activities: 5:30-6:00 p.m. indoor games.

Activities

- Each month parents/guardians will receive a Monthly Calendar with the planned activities scheduled at the After School Club. Calendars are also available on our web page www.TorranceCA.Gov/parks/7128.htm.
- Activities will be scheduled around a various themes throughout the school year. Participants have the opportunity to provide their input and assist staff with planning activities that reflect the theme.
- Scheduled activities are subject to change when necessary.

Homework

- The first 30 to 45 minutes is homework time. Participants are required to work on their homework unless their parent/guardian does not want them to do their homework at the Club. If they don't have any homework, or if they complete their homework before the end of homework time, they will be allowed to quietly read a book or work on their creative writing skills.
- Staff will assist participants; however, because of the staff to participant ratio, of 1:10 participants for elementary and 1:13 for middle school they will not receive one on one tutoring.
- When homework time ends, staff will direct their attention to other activities scheduled that day. Participants may continue to work on their homework after homework time, provided they do so in the same area where activities are being held. Staff will not assist participants with their homework after homework time.
- Participants must bring all their own supplies (i.e. pencils, erasers, paper and books).

Snacks

A light snack will be provided. Parents/Guardians may pack additional snacks for their child to eat during snack time.

- No peanuts or nuts will be served; however, small traces of peanut or peanut oils may be in the snack items.
- Please notify staff of special dietary restrictions and food allergies. If your child has a severe food allergy, a Severe Allergy Form will be required.
- **Participants with special diets are encouraged to pack their own snacks.**

Staff

The majority of our staff members are college students from local colleges and universities and are majoring in a field related to youth. Most are majoring in a field related to youth and all have had previous experience working with children. Each site has a Specialist and enough program leaders to maintain a ratio of one staff to ten participants (elementary) and one staff to thirteen participants (middle school).

Movies

- Movies may be shown once per month. Most movies are G rated. Some prescreened PG movies may be shown. If a PG movie will be shown, the name of the movie will be posted one week in advance.
- Participants are not required to watch the movie. Participants will be allowed to do an alternative activity during the movie.

Video Games

- Special video game day may be scheduled. The video games are rated E. Participation in video game day is an optional privilege. Alternate activities will be scheduled on video game day for individuals not participating.

Field Trips

- Parents/guardians will be notified in advance of all field trips. Weekly field trips to local destinations will be listed on your monthly calendar. These routine field trips generally are within walking distance from the school site. Past trips have included walking to the Library, the Madrona Marsh and fast food eateries. Students will need to bring money for their purchases. In most cases, the trip will take no more than one hour.
- Special field trips may be scheduled through out the year. They are often scheduled on days when students are dismissed early from school. Past special field trips include going to the movies or a bowling center. There is a nominal fee associated with these trips to cover the cost of food, transportation and activities. Special permission slips and fees must be turned in prior to the trip.
- Parents/guardians will have the option of not allowing their child to attend any field trip. A staff member will remain at the site to provide activities for participants not attending the field trip. Staff must be notified at least one day prior to the field trip if the participant will not be attending a field trip.
- Field trips are a privilege. Participants on disciplinary probation may not be allowed to participate.

Communication and Information Updates

- The telephone at the After School Club is for emergency use and for official Club business only. The phone line must be kept open so that After School Club staff can be reached in the event of an emergency. For this reason, we ask that parents/guardians call the site only in the event of an emergency or for official business. Social phone calls to participants will not be allowed.
- Participants will be allowed to use the phone to call their parent/guardian if there is a situation that needs immediate attention.
- If you need to speak to your child, call the site, not the child's cell phone.
- On occasion the After School Club may be required to meet in a different room on campus because the regular room is needed for a school function. When that happens, a notice will be posted on the door to inform you where the participants are meeting. If you call the facility and you don't get an answer, you can page the staff. Pager numbers are listed on the back of the After School Club's calendar.
- Parents/Guardians must notify staff if their address or phone number changes.
- Parents/Guardian should provide their cell phone or pager number on the emergency form to assist staff in contacting you quickly.
- Participants are not allowed to use cell phones while at the program.

Parent/Guardian Behavior

- Any abrasive behavior by a parent displayed towards and After School Club staff member may result in suspension or cancellation of care.
- Parents or guardians are not allowed to discipline children who are not their own at the Club.
- Parents or guardians are not allowed to question children who are not their own at the site.

Separated/Divorces Parents/Guardians:

- Parents/Guardians that are separated or divorced will need to provide copies of a signed court order if there are any restrictions regarding their child. Without a signed court order, staff will be required to release the child to either parent/guardian or whoever they authorize to pick up the participant.
- Staff cannot get involved in personal matters. To avoid putting staff in a difficult situation, please do not share personal information unrelated to the After School Club with staff.
- Staff will not deliver messages between separated/divorced parents/guardians.
- Staff are not allowed to give out copies of After School Club documents (i.e. Accident Reports or attendance sheets). Copies of these forms can be obtained by contacting the City Clerk's office at (310) 618-2870.
- Any issues related to the child will be told to whoever picks up the participant that day. Separated/divorced parents will need to develop their own method of sharing information.
- Any written material mailed out from the Community Services Department Office will be mailed to the individual that paid for the child's registration.
- Parents/guardians cannot visit with their child while they are at the After School Club.
- Parents/guardians cannot make social phone calls to their child while they are at the After School Club.

After School Club Rules and Discipline Procedures

The After School Club is designed for children who can function in a recreation setting at a ratio of one staff to ten participants (elementary) and one staff to thirteen participants (middle school). The After School Club staff are trained to handle typical juvenile issues. Staff are not, however, trained to handle participants with extreme behavior problems. The staff to participant ratio prohibits the staff from being able to handle excessive issues. If your child demonstrates excessive behavior problems they will be evaluated. You will be notified if your child is no longer eligible for the After School Club.

After School Club Rules

The After School Club Rules include, but are not limited to the following:

- No physical fighting or intentionally causing physical or emotional harm to anyone.
- No use of profanity or inappropriate comments.
- No inappropriate behavior or gestures.
- No stealing, cheating or lying.
- No damaging or defacing of property (includes school, After School Club and personal property).
- Participants must respect After School Club property and supplies.
- Participants must work quietly and stay seated during homework time.
- Participants must listen to directions from staff.
- Participants must respect staff and other participants.
- Participants must stay in assigned areas.
- Participants must keep their hands to themselves.
- Participants must report to the After School Club directly after school.
- Participants must bring their own supplies for homework time.
- Cell phones, ipods, psp's and portable video games are not allowed at the After School Program.

Disciplinary Steps

- **Depending on the severity of the offense a participant may be immediately suspended or permanently expelled from the After School Club upon the first offense.**
- **First offense:** Staff will inform participant of the rules that have been broken.
- **Second offense:** If the participant continues to break the rules, the staff will notify the parent/guardian. The conversation will be considered notification that your child is at the verbal warning stage.
- **Third offense:** If the participant continues to break the rules, a written Consequence Form will be completed. The Consequence Form will indicate what behavior occurred and the consequences associated with the behavior. The information will be discussed with the parent/guardian. The parent/guardian and participant will be required to sign the form indicating receipt of notification of the incident. If the parent/guardian is not the individual picking up your child, we will contact you by phone to discuss the problem. Staff will note on the form that the parent/guardian was notified.
- **Fourth offense:** If there are further incidents, the participant will receive a suspension. The length of the suspension will be based on the severity of the offense. The participant will not be allowed to return to the After School Club until the parent/guardian meets with the Recreation Supervisor in charge of the program. Upon returning to the program, the participant will be placed on probation for the remainder of the school year. If there are further incidents the participant will be permanently expelled from the After School Club. The participant **will not** be eligible to sign up again in the future. Parents/guardians **will not** receive a refund if their child is expelled from the After School Club.

- If your child receives a Consequence Form, it will become part of his or her permanent file. It will carry over year to year. If your child was on probation through the end of the year, that probation will carry over to the next year.
- After School Club staff will not share the consequences of a child with other parents/guardians.

Verbal/Physical Intervention

The City of Torrance Community Services Department Recreation Division staff has a responsibility to maintain a safe and orderly environment for the public, program participants and for themselves while in City programs and at City facilities.

In situations where harm might come to a member of the public, program participants or to staff themselves, staff is expected to intervene when they can and/or feel appropriately safe to do so. In the event staff does not feel safe, they are expected to contact the proper authorities (i.e. a supervisor, a Park Ranger or Police Officer) immediately so that appropriate action can be taken.

If a situation is escalating, or is occurring, staff is expected to *verbally* intervene when possible. If they feel safe to do so or as stated above, they will contact the proper authorities.

Staff should NOT put their hands on a child or on any program participant or member of the public. However, in a situation where physical intervention is immediately necessary (i.e. to keep a child program participant from hurting themselves or another person), staff may physically intervene, only when absolutely necessary, to prevent program participants from harming themselves or others. If a situation such as this occurs at the program, the parent and/or legal guardian will be contacted immediately.

Star After School Program

The City of Torrance Community Services Department offers the Star program through the Therapeutic Recreation Program. The Star Program is designed for students with developmental and learning disabilities or students that need extra attention. The Star Program has a ratio of one staff for every four participants. This ratio allows the staff to spend more one on one time with participants. The Star Program staff is trained to handle behaviors that are beyond the expertise of the After School Club staff. If we feel that this program is more appropriate for your child, you will be notified. If you would like more information about this program, contact the Community Services Department at (310) 618-2930.

Sick Participants and Medication Policies

Sick or Injured Participants

If your child is exhibiting any sign or symptoms of illness, please be considerate to others by keeping your child at home. Consult a physician to determine if your child's symptoms are contagious and when they should return to the program.

- Keep your phone number and emergency contact numbers up-to-date.
- Our programs are not set up to handle sick children. If your child becomes ill (especially with, but not limited to fever or vomiting), you will be contacted to come and pick up your child immediately. If you cannot be reached, we will contact someone on your authorized list.
- If your child receives a minor injury, such as a scraped knee, the staff will administer basic first aid (i.e., wash injured area and provide a Band-Aid) and will inform you of the incident when you pick up your child.
- If your child receives a more serious injury, staff will take whatever steps are necessary to obtain emergency medical care if warranted. These steps may include, but are not limited to, the following:
 - Attempt to contact a parent/guardian to inform you and to give you the opportunity to take your child to a physician.
 - Attempt to contact you through any person listed on the Participant Emergency Form.
 - If we cannot contact you, or your child needs immediate attention, we will call 911.
- If staff observe lice in a child's hair, the parent/guardian will be called to pick up the child. A letter will be sent to all parents/guardians notifying them of possible exposure to lice.

Medication Policy

The City of Torrance Community Services Department has established a Student Medication Policy for parents/guardians, participants and staff to follow when a participant needs to take medication during the program. This policy is for participants that are able to administer their own medication. Parents/guardians will need to submit the completed forms prior to the child's first day in the After School Club. The Medication Policy is available online (www.TorranceCA.Gov), at the program site and at the Recreation Division Office.

Severe Allergy Medication Policy

The Department has established a separate Severe Allergy Medication Policy for dealing with participants with severe allergies. A "Severe Allergy" is defined as an allergy that would pose a life threatening danger without immediate medical assistance. "Immediate" is defined as the need for assistance in less time than it would take for the paramedics to arrive. Parents/guardians will need to submit the completed forms prior to the child's first day at the After School Club. The Severe Allergy Medication Policy is available online (www.TorranceCA.Gov), at the program site and at the Recreation Division Office.

Parent/Guardian Communication

Communication

We ask that parents/guardians call to speak to their child only in the event of an emergency. The telephone at the site is for emergency use and for official business only. The phone line must be kept open so that staff can be reached in the event of an emergency. For this reason, we ask that parents/guardians call the site only in the event of an emergency or for official business. Social phone calls to participants will not be allowed. Participants will be allowed to use the phone to call their parents/guardians only if there is a situation that needs immediate attention. Parents/guardians must notify staff if their address or phone number changes. Parents/guardians should provide staff with a cell phone or pager number for emergencies.

Staff and Participant Interaction

Staff members are not allowed to contact participants outside of program activities. This includes, but is not limited to letters, emails, social networking sites (myspace.com, facebook.com, twitter.com, etc.), telephone calls, text messages and visits. Staff members may not baby-sit, transport or walk home any program participants. Please do not put staff in an awkward position by asking them to baby-sit, transport or walk your child home.

Visitation

At the After School Club, we have an “open door” policy for the parents/guardians of all participants; however, a large part of the program experience is developing a sense of independence, and this can be disrupted by visits. We do request that parents/guardians notify staff one day in advanced if they are going to be visiting by calling the Specialist and setting up a time. For safety reasons, we require that parents/guardians also check in with the Specialist upon your arrival. This policy is also the same on field trip days.

Yes. Ask staff for your child's emergency form, and draw a single line through the person's name. Put your initials and the date next to the correction.

I need to get a form signed so that I can be reimbursed by my employer. Can After School Club staff sign the form?

No. Staff are not allowed to sign any documents. Please call the Registration Office, (310) 618-2720.

If my child has an activity off campus, can I take him to it, then bring him back to the After School Club after the activity?

No. Once a participant is checked out of the Club, he or she is not allowed to return that day.

Can I bring my child to the After School Club later in the day if checked him/her out of school early for a doctor's appointment?

No. Participants are only allowed to attend the Club if they are signed in at school.

Can I hire a tutor to work with my child during homework time?

No. Our program is not set up to handle private tutoring lessons at the After School Club site.

Can I get copies of an attendance sheets or an Accident Report?

Yes. You can request a copy by contacting our City Clerk's Office at (310) 618-2870.

I don't want my child to do his homework at the program. Can he go outside and play instead?

No. Homework time is designated as quiet educational time. This is also the time that we set aside for staff to assist participants with their homework. You are welcome to send other educational material for him or her to work on during this time.

Will the staff tutor my child during homework time?

No. Our ratio prevents us from individually tutoring participants.

I don't want my ex-husband's girlfriend picking up my child. Can I prevent this from happening?

Yes. If you have a court order that gives you sole custody of the child, you can decide who picks up your child. If you have joint custody, your ex-husband can decide who he wants to pick up his child.

What happens if a participant tells the staff that their parent/guardian is harming them (physically or mentally)?

Our staff are mandated reporters of child abuse. If we have strong suspicion that a child is being abused, then we are required to report it.

What options do I have for care during Winter, Spring and Summer breaks?

The Department offers a number of alternatives.

- We offer several Day Camp Programs. There is a weekly charge for the program. Information can be found in our class directory, the Torrance Seasons, at our website www.TorranceCA.Gov, or you may contact the Registration Office at (310) 618-2720 for more information.
- We offer a free non-custodial drop-in Park Program at thirteen park facilities. Information can be obtained in our class directory, the Torrance Seasons at our website www.TorranceCA.Gov or by calling the Community Services Department at (310) 618-2930.
- The Department offers a variety of youth athletic programs and cultural classes. There is a fee charged. Information can be found in the Torrance Seasons or at our website www.TorranceCA.Gov.

Can my child bring a cell phone to the After School Club?

No. Cell phones are not allowed to be used at the After School Club.

Can my child use the phone to call me?

Yes. The phone is for emergencies and official After School Club business only. Participants will be allowed to use the phone if they have an emergency.

Can my child bring a friend to the Club to hang out with him?

No. Only registered participants are allowed at the After School Club.

Can participants hang out at the After School Club after they have been signed out?

No. Once a participant has been signed out of the program, they are no longer allowed to participate.

What steps do the After School Club staff take if they have a missing child?

The following steps are taken:

- We check the school attendance sheet to see if the child was at school, and if so, if they were signed out by a parent/guardian.
- If the participant is not listed as absent, or was not signed out by a parent or guardian, staff will ask their classmates if they saw the participant. Staff will also check the participant's classroom and the campus.
- If the participant cannot be located, staff will contact the parent/guardian to see if they picked up the child after school.
- If the child cannot be found, staff will contact the Torrance Police Department.

Note:

- If a participant leaves the school grounds without permission, they may be suspended from the After School Club.

- When a participant is missing, it takes staff's attention from their primary duties. As a result, the other participants suffer. This is why it is extremely important that parents or guardians notify us if their child is going to be absent.

What happens if I move after I enroll in the After School Club?

Parents/Guardians are asked to keep us informed about changes in address or phone numbers. Depending on where you move, the following will happen:

- If your current school is still the home school for your new address, you will simply need to provide us with proof of your new residency.
- If you move outside of the City of Torrance, you will need to contact the school district at (310) 972-6500, regarding getting a permit to stay at the school. If you are allowed to stay at the school, you will be required to pay the non-resident fee for any future payments.
- Each school has an established boundary. If your new address is outside of those boundaries, then you will be required to transfer schools. If you do not want to transfer schools, you will need to contact the school district to inquire about getting an inter-district permit.
- If you are not granted an inter-district permit, or you do not want to stay at your current school, you can request to transfer to the After School Club at your child's new school.
- If we have a Club at your child's new school and if there is an opening, then we will honor the transfer.
- If the After School Club at your new school is full, you will be added to the waiting list. Your child will only be allowed to transfer to the program if someone currently in the program at that school cancels and it is their turn on the wait list.
- Your child will not be eligible to continue in the After School Club, as participants are only eligible to participate in the After School Club at the school they are enrolled in.
- If circumstances do not permit your child to continue in the program, you will receive a prorated refund. An administrative fee of 20% with a maximum of \$25.00 will be deducted from all refunds.

If my child receives a Consequence Form, will it be placed in their permanent file?

Yes. The Consequence Forms are kept and can be used to determine future disciplinary actions. For example, if your child received previous Consequence Forms for hitting other participants (when they start the next school year they again start hitting other participants), we will not go through the traditional steps of verbal warnings and time outs. Since we have previously explained the rules and given chances the year before, we will issue a Consequence Form and appropriate discipline.

If my child is expelled from the program, is he or she eligible to come back to the After School Club the following year?

No. Participants are only expelled from the After School Club for gross behavior problems or major situations. As a result, the participant is not eligible to return to the program again in the future.

What will happen if I do not notify the After School Club that I have moved?

Failure to notify the After School Club that you have moved is grounds for expulsion from the Club.

What happens if I can't make my payment by the due date?

If payment is not received by the due date, the participant will be dropped from the program. Participants on the waiting list will be offered the opportunity to register. If a space is still available when you secure the funds to make a payment, you will be allowed to re-register. If no spaces are available, you will be given the opportunity to be added to the waiting list. You will not receive priority over others on the waiting list.
